September 28, 2022

Dear Fellow Residents of North Hempstead,

This is the 2023 Tentative Budget for the Town of North Hempstead. Like my predecessor, I have always believed that taxpayers deserve to know the Town's final budget prior to Election Day. As such, I am proud to continue this tradition, and I have scheduled the final budget vote for November 3, 2022, providing our residents an open and transparent budgeting process along the way.

The Tentative Budget stays within the New York State tax cap. My administration has worked hard finding ways to deliver important Town services, all while remaining under the state mandated cap spending limit.

Earlier this year, Moody's Investor Service again affirmed our Town's Aaa bond rating. This rating is the highest a Town can achieve, and will benefit our taxpayers greatly, producing significant savings in the long run. I am proud that the Town has received this credit rating in 12 consecutive instances, and I believe that my administration's fiscally conservative management will continue to put the Town in the position to keep delivering top notch credit ratings on behalf of our residents.

Crafting this budget has given my administration an opportunity to review all Town operations, with an eye towards improving and streamlining, wherever possible. Under this budget, our Town workforce, which is second to none, will continue to provide all of our exceptional services.

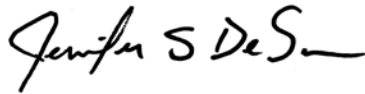

The preparation of this budget has presented unique challenges as the Town has been operating without an appointed Comptroller since January. But through the dedicated efforts of my senior staff, our department heads, and the Comptroller's Office, the tentative budget is fiscally responsible, while simultaneously providing our residents the best services possible.

The Tentative Budget is the first step in the budgeting process, and it provides a window into my administration's goals for the upcoming year. Now, the most open and transparent budget process in our Town's history will commence, as I hold multiple budget hearings and work sessions to provide our residents an in-depth look at how the Town will be spending your money.

I am proud that my administration takes a taxpayer first mentality, so I encourage you to take a look within and please, provide some input into the process.

Regardless of where we go from here, again, I am committed to making sure the final budget will be presented and put up to a vote by the Town Board on November 3, 2022, prior to Election Day.

Best regards,

A handwritten signature in black ink that reads "Jennifer S DeSena". The signature is written in a cursive, flowing style.

Jennifer DeSena
North Hempstead Town Supervisor

The Governmental Funds of the Town of North Hempstead

North Hempstead is governed by its Town Board, comprised of the Supervisor and six Town Councilmembers. Town functions are also administered by the elected Town Clerk and elected Receiver of Taxes.

From a fiscal standpoint, the activities of the Town are organized, recorded, and reported on the basis of funds, each of which is considered a separate accounting entity. Each fund is a stand-alone, self-balancing unit. The Town funds are combined for the purposes of calculating the State's tax cap.

Below is a pie chart detailing the amount of real property tax revenues collected from Town residents going to Town of North Hempstead operations versus the operations of schools & libraries, Nassau County, and Special Districts.

General Fund

The General Fund is the Town's principal operating fund. The revenues and expenses for departments whose operations service all Town residents, both within the Incorporated Villages and the unincorporated areas, are recorded in the General Fund. For example, all Town residents may use Town park facilities, call 311 for information, or participate in events sponsored by the Department of Community Services. Therefore, those are among the departments located in the General Fund. Accordingly, the property tax base for this fund is all residents and businesses within the Town.

The pie chart at the beginning of Tab 2 shows the distribution of expenditures amongst the departments within the General Fund.

The Town Outside Village Fund (TOV)

The Town Outside Village (TOV) Fund was created from the merger of the Part-Town and Highway Funds by an act of the New York State Legislature in 2006. The TOV fund serves residents who live or own property outside the borders of incorporated villages. This Fund covers road maintenance, snow plowing, code enforcement, building safety and inspection and community planning.

The pie chart at the beginning of Tab 3 shows the distribution of expenditures among the departments within the TOV Fund.

Town-Operated and Commissioner-Operated Special Districts

There are 46 special districts in North Hempstead, overseeing such services as fire protection, garbage disposal, street lighting, parks, police, public parking lots, sidewalks, water and sewers, libraries, and business improvement.

These districts provide services to and are supported only by property owners within the district.

There are 20 Town-operated special districts administered by the Town Board; and 26 Commissioner-operated districts, which have independently elected governing boards.

Tab 4 contains the budgets of the Town-Operated Special Districts while Tab 5 contains the budgets of the Commissioner-Operated Special Districts.

The Town's tax cap is calculated based on the Town's General and TOV budgets and the Town-operated special district budgets.

Town Departments: General Fund

Administrative Services

The Department of Administrative Services maintains most central services Town facilities, performing a wide range of functions from painting to full-scale renovations as well as landscaping, parking lot governance and snow removal for Town Hall 1 & 2, Town Hall Annex, Animal Shelter and the Roslyn Community Center. The Department also encompasses Central Printing and Mailing for all Town departments, from tax bills to special event flyers.

Community Services

The Department's mission is to offer programs to improve the quality of life for each of our residents. The Department offers popular events such as FunDay Mondays for seniors, a yearly Veterans Breakfast, National Night Out, Asian American Festival, Summer Concert Series, and Fall Festival. The Department has also expanded the transportation program offered by Project Independence for the elderly to include people with disabilities--the result of a suggestion by the Town's Disability Advisory Committee. Rides are provided on request to residents with disabilities for food shopping, and discounted rides are offered for doctor appointments.

Department of Services for the Aging (DOSA)

DOSA provides programs tailored to meet the needs of North Hempstead's aging residents who want to stay in our communities and in their own homes as they mature. DOSA's core program is Project Independence (PI), the Town's aging-in-place initiative. A little over one quarter of the Town's 230,000 residents are age 60 or over. DOSA provides services including screenings for chronic conditions like high blood pressure and diabetes, health education seminars, support groups for caregivers and others, assistance accessing benefits, case management, social/recreational activities, volunteer opportunities and referrals to other sources of support. Project Independence also offers rides for members for food shopping and medical appointments.

Comptroller

The Comptroller's Office (the Comptroller) is responsible for the overall financial management of the Town and its component special districts. The Comptroller accounts for all operating expenses, debt service and distribution of taxes and other revenues. Additionally, the Comptroller manages the Town's cash, supervises preparation of the payroll for all Town employees, and compiles the Town's Annual Comprehensive Financial Report (ACFR) and the Town Board's annual operating budget. The Comptroller also manages the financing of the Town's and special districts' capital projects and performs financial and debt management services for the Commissioner operated special districts. The Town has been recognized by the Government Finance Officers Association with an award for its ACFR for each Fiscal year from 2010 to 2020. Demonstrating the Town's commitment to sound financial management, the Town's fiscal stress score is 1.7, which according to data released by the Office of the New York State Comptroller, is one of the lowest of any Town on Long Island.

Department of Human Resources

The goal of the Human Resources Department (HR) is to ensure positive employee relations, job satisfaction, and a safe workplace for all employees. HR administers employee benefits and processes

hiring, retirement, termination, promotions, and all other employment changes. The Department maintains accurate and confidential personnel records and manages the Town's time and leave system. The Department also trains employees in compliance with labor and anti-discrimination laws and ensures that the Town complies with State civil service laws.

Department of Information Technology (DoITT)

The Department of Information Technology and Telecommunications (DoITT) provides a secure, reliable voice and data technology environment. DoITT provides innovative, tactical, and strategic input on business systems by identifying, researching, recommending, and implementing new or improved technologies and processes for current and future business and operational needs. DoITT also provides a unified set of shared services to a broad range of Town entities, ultimately improving services for Town employees and constituents.

311 Call Center

The 311 Call Center is a centralized unit that answers inquiries from Town of North Hempstead constituents. The 311 Service Representatives are able to answer many queries from the public directly without transferring the call. With "One-Call-To-Town-Hall," callers avoid having their calls transferred from department to department in order to get information or assistance. If the call representative cannot answer the question, they are able to transfer the caller to the correct individual, in the correct Town department which can provide the answer. The 311 Call Center also provides up to the minute information on Town special events, takes requests for assistance for seniors in connection with Project Independence and provides information during blizzards, hurricanes, and more recently, information during the COVID-19 pandemic.

The system also provides an ability to measure how well services are delivered. Requests for service are entered into a work-order format and sent to the appropriate department for review and immediate processing. Those work-orders are tracked to ensure that requests are completed in a timely manner and that the constituent is satisfied.

Through August 2022, 311 has answered more than 2,562,030 constituent calls.

Parks and Recreation

The Town has 52 active and passive parks administered by the Department of Parks and Recreation (the Parks Department). The Parks Department's mission is to meet the leisure-time and health and fitness needs of the residents of North Hempstead while maintaining high quality facilities. The Parks and Recreation system includes 12 baseball fields, 20 basketball courts, 2 artificial-turf multi-purpose fields, 12 playgrounds, 37 tennis courts, and 2 boat ramps.

Among the Town's best known facilities are North Hempstead Beach Park (home to a multitude of concerts and festivals during the year), Manorhaven Park (which includes an outdoor pool, tennis courts, and a skate park), Clark Botanic Garden, Michael J. Tully Park (home to the Town's indoor pool, a fully-lighted and field-turfed outdoor athletic stadium, and ball fields), the "Yes We Can" Community Center (home to two regulation-size indoor basketball courts, a dance studio, a gym and community rooms, as well as serves as the Long Island Nets practice facility) and the Harbor Links complex, with both a 18-hole championship and a 9-hole executive golf course, a driving range, miniature golf, a pro shop, athletic fields and a full service banquet hall and restaurant.

The Parks budget includes high levels of seasonal and part time employment, reflecting the fact that the summer months are the peak times for Parks activities.

Public Safety

The Division of Public Safety consists of Code Enforcement, Parking Enforcement, the Animal Shelter, Harbor Patrol, and the Port Washington Public Parking District. Code Enforcement enforces Town laws, ordinances and regulations in the Town's unincorporated areas. These laws generally are aimed at keeping the Town's residential and commercial areas clean and safe. Inspectors respond to 311 calls about apparent violations in addition to coordinating with other Town Departments to identify code violations. Violations are prosecuted in Nassau County District Court by the Town Attorney.

Parking Enforcement enforces the Town's Uniform Traffic Code, which restricts parking on streets and in certain shopping centers in the Town's unincorporated areas. Town parking tickets are adjudicated and collected by the Nassau County Traffic and Parking Violations Agency.

The Animal Shelter Department is responsible for enforcing local and State animal protection, control and licensing laws, and administering Town dog control services. Dogs are available for adoption from the Animal Shelter and the Shelter works closely with volunteers to support its mission. Each year the Town's Animal Shelter co-sponsors with the not-for-profit The Shelter Connection to offer free microchips to dogs and cats of Town residents through the "Pet Microchip Clinic." Additionally, the Animal Shelter, in conjunction with the Nassau County Department of Health, offered a free rabies clinic to residents.

Harbor Patrol and our Bay Constables provide enforcement of the Town Code on the waterways, assists boaters in emergencies, and promotes boater safety.

The Public Safety Division is also the administrators for the Port Washington Public Parking District, which is a Town Operated Special District.

Public Works

The Department of Public Works (DPW) is responsible for most large-scale Town funded capital projects. The Department coordinates and oversees the planning and development of Town capital projects, including the management of outside engineers, contractors, and consultants. In addition, this Department is responsible for the design and construction of Town road and drainage improvement projects, buildings, parks and beaches, and any other public work improvements undertaken within the Town. This office also provides engineering advice to the Town Board and other Town departments. This division also implements compliance with the New York State Department of Environmental Conservation (NYSDEC) SPDES General Permit for storm water discharge from MS4.

The Highway Division is under the Department of Public Works, however, is budgeted separately in the Town Outside Village (TOV) Fund.

Receiver of Taxes

The Receiver of Taxes oversees the billing, collection, investment, and distribution of taxes for the Town and the 46 Town and Commissioner-operated Special Districts located within it, Nassau County and

County Special Districts, and 13 School Districts. The office bills over 73,500 parcels totaling nearly \$1.4 billion in taxes annually.

The Receiver is responsible for investing the tax funds in interest-bearing accounts in accordance with the New York State Municipal Code and the Town's Investment Policy. The Receiver's Office produces additional revenues for the Town through the collection of penalty monies and insufficient funds/returned check fees.

The Receiver's Office interacts with residents and property owners through the 311 Call Center and visits to the Receiver's Office, assisting constituents with general tax, payments, and customer service inquiries. Additionally, residents are provided with a comprehensive online information hub for all tax-related questions including an online bill pay option. During the collection periods, the Receiver's Office provides satellite collection sites throughout the Town and extended office hours.

Solid Waste Management

The mission of the Town's Division of Solid Waste Management is to maintain the Town's landfills located in Port Washington and operate the Town's transfer station. This division also operates and manages the annual S.T.O.P. events located throughout the Town.

Supervisor's Office

The Supervisor is the Chief Administrative and Financial Officer of the Town, and also serves as a voting member of the Town Board. As the head of the administrative branch of Town government, the Supervisor is responsible for the day-to-day operations of the Town, implementing, executing and enforcing all legislative actions of the Town Board, and the preparation, evaluation and recommendation of reports, information and material for Town Board action.

The Supervisor's Office also includes Public Information, Intermunicipal Coordination, Constituent Services, Legislative Affairs, Finance, Town Historian, Business and Tourism, and Procurement.

Town Attorney

The office of the Town Attorney provides legal representation, counsel and advice to the Town Board, Supervisor, operating departments, and Town Agencies. Deputy Town Attorneys handle trials and appeals in lawsuits brought by and against the Town; Town Code enforcement; negotiation and drafting of contracts, inter-municipal agreements, licenses, franchises and other legal documents to which the Town is a party; labor relations and employment matters; advice as to the legal implications of contemplated policy, actions and administrative decisions; drafting of ordinances and local laws; Freedom of Information Law requests and appeals; and preparation of Town Board meeting agendas and drafting of Town Board resolutions.

The Town Attorney's Office handles all real estate transactions on behalf of the Town, preparing deeds, examining titles and conducting closings. It collects debts owed to the Town. The Office also prosecutes zoning and property maintenance violations of the Town Code.

The Office acts as counsel to the Board of Zoning and Appeals and various other Town boards and Commissions including the Solid Waste Management Division, the Historic Landmark Preservation Committee and the Community Development Agency.

Town Board

The Town Board is the policy-making and governing body of the Town and consists of the Town Supervisor and six Town Board Members, elected from individual districts by Town of North Hempstead residents. The Town Board's mission is to provide effective leadership, set policy in order to deliver effective and efficient public services and oversee the financial health of the Town.

The Town has a significant focus on transparency in government and has made many changes to the way the Town Board meetings and agendas are presented, in order to make information easily available to residents. Specifically:

- Town board meetings are broadcast live through the Town's website
- Before Town Board meetings, agendas, and proposed laws, resolutions or ordinances are posted on the Town's website
- After Town Board meetings, transcripts of the meeting are posted on the Town's website

Town Clerk

The Town Clerk is the Records Management Officer of the Town. The Clerk is responsible for active files, disposition of inactive records and protection of the archives. As Secretary to the Town Board, the Clerk is responsible for preparing and maintaining the minutes of Town Board meetings.

The Town Clerk issues State licenses such as marriage, hunting, fishing, going out of business sale, games of chance, dog, bingo and raffle licenses. The Clerk issues Town licenses including taxi, towing, peddlers and solid waste collection.

Additionally, the Town Clerk is a designated Marriage Officer, and as Registrar of Vital Statistics, issues and maintains birth and death certificates and records in the Town.

Town Departments: TOV Fund

Building Department

The Building Department is responsible for the administration of the New York State and Town of North Hempstead Building Codes as they relate to property, buildings and construction within the unincorporated areas of the Town of North Hempstead.

The Building Department is comprised of an Inspection Section and an Enforcement Section. The Inspection Section is responsible for the intake of applications and the issuance of Building, Plumbing and Rental permits, as well as Public Assembly licenses. Members of the Inspection Section follow up on permits that have been issued and conduct safety inspections at job sites to ensure permitted work is being performed in compliance with the applicable State and Town Codes. Members of the Enforcement Section are trained to identify and investigate a variety of construction and illegal housing violations. Through a comprehensive inspection and investigation process, Town inspectors not only identify and bring violations into compliance, but they also help to ensure the safety of residents. Upon the successful

completion of the inspection process and final review of the file, applicants are issued various certificates and licenses documenting that the permitted work has been done in compliance with State and Town codes.

Planning and Environmental Protection

The Planning Department is primarily responsible for land use regulation, historic landmarks preservation, environmental impact review and public transportation issues. In addition to performing technical reviews of all major commercial, multi-family and institutional development proposals, the Department participates in the implementation of transportation, environmental and other capital projects, as well as any real estate transactions involving Town-owned land. The Department oversees the operations of the Historic Landmarks Preservation Commission, the Ecological Commission, and represents the Town on the Manhasset Bay and Hempstead Harbor Protection Committees. The Department also oversees Environmental Facilities. A separate division within the Department reviews all applications to the Board of Zoning Appeals.

Highway

The Highway Division is responsible for the maintenance and repair of more than 280 miles of Town roadways, including pavement and drainage maintenance, street sweeping, pothole repair, street sign installation and maintenance, tree removal and maintenance, snow removal, ice and flood control. The Highway Superintendent issues road opening permits for homeowners and/or contractors planning to perform work within the Town's right-of-way. The Town roadways are located in the unincorporated areas outside Villages.
