GONE FISHING?

Last year, new signage and designated receptacles were placed around six Town fishing sites. These new receptacles encourage fishermen to discard non-biodegradable monofilament fishing line properly, which will help protect fish and wildlife. According to the Audubon Society, monofilament fishing line is an amazingly strong substance that gets snagged on many things in the environment. Discarded line can snag and kill fish, turtles, frogs, birds, and small mammals. The receptacles were placed at Gerry Pond Park in Roslyn; Searingtown Pond Park in Searingtown; the Town Dock in Port Washington; Manorhaven Park in Manorhaven; North Hempstead Beach Park in Port Washington; and Ridder's Pond Park in New Hyde Park.

A MESSAGE FROM SUPERVISOR JUDI BOSWORTH

Dear Friends,

The Town of North Hempstead is home to some of the most remarkable waterways available to recreational boaters on Long Island. Each year, we welcome boaters from around the world to our harbors so that they too can enjoy all that our Town has to offer. Whether you're here to enjoy North Hempstead Beach Park, or to dine out at one of many waterfront restaurants, there's a good chance you'll want to come back!

So please, enjoy your time in North Hempstead and feel free to call (516) 869-6311 with any questions you may have. We'll see you again soon. Until then, safe boating!

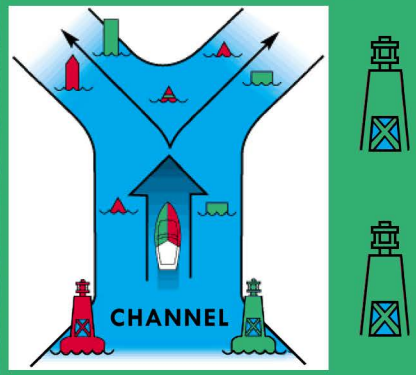
TIPS FOR SAFE BOATING IN NEW YORK

1. In Manhasset Bay, Hempstead Harbor, and Little Neck Bay there is a 5 mph speed limit and No Wake Zone within 300 feet of shore or mooring fields.
2. Boats must give way to emergency vehicles when their blue emergency lights are activated.
3. Boating while intoxicated is a crime. DO NOT DRINK AND DRIVE! Bay Constables will be out to enforce boating while intoxicated laws.
4. All personal watercraft (PWCs) must be operated by a boater over the age of 14 who is in possession of a New York State Safe Boater Certificate.
5. All persons on a PWC must WEAR their personal flotation devices (Type I, II, or III).
6. Do not exceed the number of passengers stated on the Coast Guard Occupancy plate.
7. North Hempstead waters are a NO-DISCHARGE ZONE. Boaters may not discharge waste (human or water) or oil into the waters of North Hempstead. Violators will be fined.
8. Make sure you enroll in the annual no-fee recreational marine fishing registry before going saltwater fishing! You can enroll in the registry online at www.dec.ny.gov/permits/6101.html, or at the Town of North Hempstead Clerk's Office.
9. Remain inside marked channels.

Green colors and lights should be on your right (starboard) side when travelling toward open waters (seaward)



Red colors and lights should be on your right (starboard) side when travelling from open waters (shoreward)
