October 10, 2019

**Dear Town Board Members and Residents of North Hempstead,**

This is the 2020 preliminary budget for the Town of North Hempstead. I believe that you, as taxpayers, deserve to know the Town's final budget prior to Election Day. Accordingly, I have scheduled the final budget vote for October 30, 2019, in keeping with my administration's commitment to open and transparent government.

This preliminary budget stays under the New York State tax cap. My administration continues to work to find ways to deliver all important services while staying under the tax cap spending limit.

Moody's Investors Service (Moody's) affirmed our Town's financial rating of Aaa on September 12, 2019. This rating is the highest in the Town's recent history and the highest a municipality can obtain. In its credit opinion, Moody's acknowledged the "Town's conservative fiscal management practices" and noted that "management actively monitors budget performance across funds throughout the year to ensure balanced operations and makes changes to expenditures as needed." I am proud that my administration has earned the "triple A" rating five times now from Moody's.

Under this budget, our Parks and Recreation Department will continue to provide exceptional concerts, multicultural events and myriad of recreational opportunities. Our Highway Department will provide snow removal, tree trimming, tree planting, street sweeping and sidewalk repair at current levels, with no cuts to these important "quality of life" services and attention to safety. Cultural and social event programming provided by our Department of Community Services will continue and our Department of Services for the Aging (DOSA) and our Project Independence Program will continue to be national role models for the services they provide to our senior citizens.

This budget also reflects my stated commitment to pursue environmental initiatives and to secure funding for infrastructure needs. My team will shortly be updating the Town's five-year capital plan which seeks to preserve the Town's resources, both natural, like our waterways and our wetlands, and man-made, like our roads and park structures. Our Department of Public Works (DPW), Planning, and Highways staff will continue to support all these projects.

The preparation of this budget was accomplished by the dedicated efforts of the Comptroller's Department, my senior staff and our commissioners. The preliminary budget, however, is only a first step. It must be refined and revised as we tighten our spending plan.

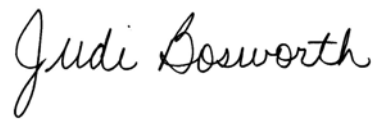

The preliminary budget gives a general picture of my administration's planning, and is now ready for analysis, suggestions, and reactions by the public and our Town Council members. Rest assured that, no matter what changes are made, the tax levy in the final version of the budget will remain within the State tax cap. However, the tax rates in this preliminary budget may change as the County changes its assessed values. The final budget will be presented and be put up to vote by the Town Council on October 30, 2019, before Election Day.

As always, I welcome input by you, our taxpayers, as we continue to move our Town into a bright future.

Warm Regards,

A handwritten signature in cursive script that reads "Judi Bosworth". The signature is written in black ink and is positioned above the printed name and title.

Judi Bosworth  
North Hempstead Supervisor

## The Governmental Funds of the Town of North Hempstead

North Hempstead is governed by its Town Board, comprised of the Supervisor and six Town Councilmembers. Town functions are also administered by the elected Town Clerk and elected Receiver of Taxes.

From a fiscal standpoint, the activities of the Town are organized, recorded, and reported on the basis of funds, each of which is considered a separate accounting entity. Each fund is a stand-alone, self-balancing unit. The Town funds are combined for the purposes of calculating the State's tax cap.

Below is a pie chart detailing the amount of real property tax revenues collected from Town residents going to Town of North Hempstead operations versus the operations of schools & libraries, Nassau County, and Special Districts.

## **General Fund**

The General Fund is the Town's principal operating fund. The revenues and expenses for departments whose operations service all Town residents, both within the Incorporated Villages and the unincorporated areas, are recorded in the General Fund. For example, all Town residents may use Town park facilities, call 311 for information, or participate in events sponsored by the Department of Community Services. Therefore, those are among the departments located in the General Fund. Accordingly, the property tax base for this fund is all residents and businesses within the Town.

The pie chart at the beginning of Tab 2 shows the distribution of expenditures amongst the departments within the General Fund.

## **The Town Outside Village Fund (TOV)**

The Town Outside Village Fund was created from the merger of the Part-Town and Highway Funds by an act of the New York State Legislature in 2006. The TOV fund serves residents who live or own property outside the borders of incorporated villages. This Fund covers road maintenance, snow plowing, code enforcement, building safety and inspection and community planning.

The pie chart at the beginning of Tab 3 shows the distribution of expenditures among the departments within the TOV Fund.

## **Town-Operated and Commissioner-Operated Special Districts**

There are 46 special districts in North Hempstead, overseeing such services as fire protection, garbage disposal, street lighting, parks, public parking lots, sidewalks, water and sewers, libraries, and business improvement.

These districts provide services to and are supported only by property owners within the district.

There are 20 Town-operated special districts administered by the Town Board; and 26 Commissioner-operated districts, which have independently elected governing boards.

Tab 4 contains the budgets of the Town-Operated Special Districts while Tab 5 contains the budgets of the Commissioner-Operated Special Districts.

The Town's tax cap is calculated based on the Town's General and TOV budgets and the Town-operated special district budgets.

## **Town Departments: General Fund**

### **Administrative Services**

The Department of Administrative Services maintains most Town facilities, performing a wide range of functions from painting to full-scale renovations as well as landscaping, parking lot governance and snow removal for the Town Hall, Annex, Animal Shelter and the Roslyn Community Center. The Department also encompasses Central Printing and Mailing for all Town departments, from tax bills to special event flyers.

### **Community Services**

The Community Services Department is the “Helping Hands” of the Town of North Hempstead. The Department’s mission is to offer programs to improve the quality of life for each of our residents. The Department offers popular events such as FunDay Mondays for seniors, a yearly Veterans Breakfast, Asian American Festival, and BeachFeast. The Department has also expanded the transportation program offered by Project Independence for the elderly to include people with disabilities--the result of a suggestion by the Town’s Disability Advisory Committee. Rides are provided on request to residents with disabilities for food shopping, and discounted rides are offered for doctor appointments. 2018 brought medical relief to the veterans of the Town of North Hempstead. Rather than have to travel for hours to visit the VH hospital in Northport, the Northport VA Medical Center mobile unit comes to them. Medical care is offered three times a week at Clinton G Martin Park.

### **Department of Services for the Aging (DOSA)**

DOSA provides programs tailored to meet the needs of North Hempstead’s aging residents who want to stay in our communities and in their own homes as they mature. DOSA’s core program is Project Independence (PI), the Town’s aging-in-place initiative. Almost one quarter of the Town’s 230,000 residents are age 60 or over. DOSA provides services including screenings for chronic conditions like high blood pressure and diabetes, health education seminars, support groups for caregivers and others, assistance accessing benefits, case management, social/recreational activities, volunteer opportunities and referrals to other sources of support. Project Independence also offers rides for members for food shopping and medical appointments.

### **Comptroller**

The Comptroller's Office (the Comptroller) is responsible for the overall financial management of the Town and its component special districts. The Comptroller accounts for all operating expenses, debt service and distribution of taxes and other revenues. Additionally, the Comptroller manages the Town’s cash, supervises preparation of the payroll for all Town employees, and compiles the Town’s Comprehensive Annual Financial Report (CAFR) and the Town Board's annual operating budget. The Comptroller also manages the financing of the Town’s and special districts’ capital projects and performs financial and debt management services for the Commissioner operated special districts. The Town has been recognized by the Government Finance Officers Association with an award for its CAFR for each Fiscal year from 2010 to 2017.

## **Department of Human Resources**

The goal of the Human Resources Department (HR) is to ensure positive employee relations, job satisfaction, and a safe workplace for all employees. HR administers employee benefits and processes hiring, retirement, termination, promotions, and all other employment changes. The Department maintains accurate and confidential personnel records, and manages the Town's time and leave system. The Department also trains employees in compliance with labor and anti-discrimination laws and ensures that the Town complies with State civil service laws.

## **Department of Information Technology (DoITT)**

The Department of Information Technology and Telecommunications (DoITT) provides a secure, reliable voice and data technology environment. DoITT provides innovative, tactical, and strategic input on business systems by identifying, researching, recommending, and implementing new or improved technologies and processes for current and future business and operational needs. DoITT also provides a unified set of shared services to a broad range of Town entities, ultimately improving services for Town employees and constituents.

## **311 Call Center**

The 311 Call Center is a centralized unit that answers inquiries from Town of North Hempstead constituents. The 311 Service Representatives are able to answer many queries from the public directly without transferring the call. With "One-Call-To-Town-Hall," callers avoid having their calls transferred from department to department in order to get information or assistance. If the call representative cannot answer the question, they are able to transfer the caller to the correct individual, in the correct Town department which can provide the answer. The 311 Call Center also provides up to the minute information on Town special events, takes requests for assistance for seniors in connection with Project Independence and provides information during blizzards and hurricanes.

The system also provides an ability to measure how well services are delivered. Requests for service are entered into a work-order format and sent to the appropriate department for review and immediate processing. Those work-orders are tracked to ensure that requests are completed in a timely manner and that the constituent is satisfied.

Through the beginning of September of 2019 North Hempstead 311 has answered more than 2,028,650 constituent calls.

## **Parks and Recreation**

The Town has 52 active and passive parks administered by the Department of Park and Recreation (the Parks Department). The Parks Department's mission is to meet the leisure-time and health and fitness needs of the residents of North Hempstead while maintaining high quality facilities. The Parks and Recreation system includes 12 baseball fields, 20 basketball courts, 2 artificial-turf multi-purpose fields, 12 playgrounds, 37 tennis courts, and 2 boat ramps.

Among the Town's best known facilities are North Hempstead Beach Park (home to a multitude of concerts and festivals during the year), Manorhaven Park (which includes an outdoor pool, tennis courts, and a skate park), Clark Botanic Garden, Michael J. Tully Park (home to the Town's indoor pool, a fully-lighted and field-turfed

outdoor athletic stadium, and ball fields), the “Yes We Can” Community Center (home to two regulation-size indoor basketball courts, a dance studio, a gym and community rooms, as well as serves as the Long Island Nets practice facility) and the Harbor Links complex, with both a 18- hole championship and a 9-hole executive golf course, a driving range, miniature golf, a pro shop, athletic fields and a full service banquet hall and restaurant. In 2017 the Town opened its newest park, Alvan O. Petrus Park in Port Washington. In 2016 a new greenhouse was constructed at Clark Botanic Gardens, increasing the Town’s horticultural capabilities.

The Parks budget also now includes the Town’s security division, as most security activities involve the parks facilities. This portion of the budget was moved out of Public Safety in 2016.

The Parks budget includes high levels of seasonal and part time employment, reflecting the fact that the summer months are the peak times for Parks activities.

## **Public Safety**

The Department of Public Safety consists of Code Enforcement, Parking Enforcement, the Animal Shelter, Harbor Patrol, and the Port Washington Public Parking District. Code Enforcement enforces Town laws, ordinances and regulations in the Town's unincorporated areas. These laws generally are aimed at keeping the Town's residential and commercial areas clean and safe. Inspectors respond to 311 calls about apparent violations in addition to coordinating with other Town Departments to identify code violations. Violations are prosecuted in Nassau County District Court by the Town Attorney.

Parking Enforcement enforces the Town's Uniform Traffic Code, which restricts parking on streets and in certain shopping centers in the Town's unincorporated areas. Town parking tickets are adjudicated and collected by the Nassau County Traffic and Parking Violations Agency.

The Animal Shelter is responsible for the Town's dog shelter, enforcing local and State animal protection, control and licensing laws, and administering Town dog control services. Dogs are available for adoption from the Animal Shelter and the Shelter works closely with volunteers to support its mission. Each year the Town’s Animal Shelter co-sponsors with the not-for-profit The Shelter Connection to offer free microchips to dogs and cats of Town residents through the “Pet Microchip Clinic.” Additionally, the Animal Shelter, in conjunction with the Nassau County Department of Health, offered a free rabies clinic to residents.

Harbor Patrol and our Bay Constables provide enforcement of the Town Code on the waterways, assists boaters in emergencies, and promotes boater safety.

The Division of Emergency Management works with the various Town departments as well as Federal, State, and County emergency management officials. This division coordinates the Town’s response to hurricanes, nor’easters, other severe weather conditions, and non-weather related catastrophes (including terrorist attacks). To guide its activities, the Division has prepared the Town’s emergency management plan.

The Department of Public Safety also staffs the Port Washington Parking District, which is a Town-run special district. The district has updated its parking tools. In 2016, the Town launched an online parking permit and voucher system. The District maintains 12 surface lots, 544 on-street meters, and 6 multi-space meters which are designated for commuters, shoppers, and merchants.

## **Public Works**

The Department of Public Works (DPW) is responsible for most Town capital projects. The Administration Division coordinates and oversees the planning and development of Town capital projects, including the management of outside engineers, contractors, and consultants.

The Engineering Division is responsible for the design and construction of Town road and drainage improvement projects, buildings, parks and beaches, and any other public work improvements undertaken within the Town. This office also provides engineering advice to the Town Board and other Town departments. This division also implements compliance with the New York State Department of Environmental Conservation (NYSDEC) SPDES General Permit for storm water discharge from MS4.

The Highway Division is under the Department of Public Works, but is budgeted separately.

## **Receiver of Taxes**

The Receiver of Taxes oversees the billing, collection, investment, and distribution of taxes for the Town and the 46 Town and Commissioner-operated Special Districts located within it, Nassau County and County Special Districts, and 13 School Districts. The office bills over 73,500 parcels totaling nearly \$1.25 billion in taxes annually.

The Receiver is responsible for investing the tax funds in interest-bearing accounts in accordance with the New York State Municipal Code and the Town's Investment Policy. The Receiver's Office produces additional revenues for the Town through the collection of penalty monies and insufficient funds/returned check fees.

The Receiver's Office interacts with residents and property owners through the 311 Call Center and visits to the Receiver's Office, assisting constituents with general tax, payments, and customer service inquiries. Additionally, residents are provided with a comprehensive online information hub for all tax-related questions including an online bill pay option. During the collection periods, the Receiver's Office provides satellite collection sites throughout the Town and extended office hours.

## **Supervisor's Office**

The Supervisor is the Chief Administrative and Financial Officer of the Town, and also serves as a voting member of the Town Board. As the head of the administrative branch of Town government, the Supervisor is responsible for the day-to-day operations of the Town, implementing, executing and enforcing all legislative actions of the Town Board, and the preparation, evaluation and recommendation of reports, information and material for Town Board action.

The Supervisor's Office also includes Public Information, Intermunicipal Coordination, Constituent Services, Legislative Affairs, Finance, and Procurement.

## **Town Attorney**

The office of the Town Attorney provides legal representation, counsel and advice to the Town Board, Supervisor, operating departments, and Town Agencies. Deputy Town Attorneys handle trials and appeals in lawsuits brought by and against the Town; Town Code enforcement; negotiation and drafting of contracts, inter-municipal agreements, licenses, franchises and other legal documents to which the Town is a party; labor relations and employment matters; advice as to the legal implications of contemplated policy, actions and

administrative decisions; drafting of ordinances and local laws; Freedom of Information Law requests and appeals; and preparation of Town Board meeting agendas and drafting of Town Board resolutions.

The Town Attorney's Office handles all real estate transactions on behalf of the Town, preparing deeds, examining titles and conducting closings. It collects debts owed to the Town. The Office also prosecutes zoning and property maintenance violations of the Town Code.

The Office acts as counsel to the Board of Zoning and Appeals and various other Town boards and Commissions including the Solid Waste Management Authority, the Historic Landmark Preservation Committee and the Community Development Agency.

### **Town Board**

The Town Board is the policy-making and governing body of the Town and consists of the Town Supervisor and six Town Board Members, elected from individual districts by Town of North Hempstead residents. The Town Board's mission is to provide effective leadership, set policy in order to deliver effective and efficient public services and oversee the financial health of the Town.

The Town has a significant focus on transparency in government and has made many changes to the way the Town Board meetings and agendas are presented, in order to make information easily available to residents. Specifically:

- Town board meetings are now broadcast live through the Town's website
- Before Town Board meetings, agendas, and proposed laws, resolutions or ordinances are posted on the Town's website
- After Town Board meetings, transcripts of the meeting are posted

### **Town Clerk**

The Town Clerk is the Records Management Officer of the Town. The Clerk is responsible for active files, disposition of inactive records and protection of the archives. As Secretary to the Town Board, the Clerk is responsible for preparing and maintaining the minutes of Town Board meetings.

The Town Clerk issues State licenses such as marriage, hunting, fishing, going out of business sale, games of chance, dog, bingo and raffle licenses. The Clerk issues Town licenses including taxi, towing, peddlers and solid waste collection.

Additionally, the Town Clerk is a designated Marriage Officer, and as Registrar of Vital Statistics, issues and maintains birth and death certificates and records in the Town.

### **Town Departments: TOV Fund**

#### **Building Department**

The Building Department is responsible for the administration of the New York State and Town of North Hempstead Building Codes as they relate to property, buildings and construction within the unincorporated areas of the Town of North Hempstead.

The Building Department is comprised of an Inspection Section and an Enforcement Section. The Inspection Section is responsible for the intake of applications and the issuance of Building, Plumbing and Rental permits, as well as Public Assembly licenses. Members of the Inspection Section follow up on permits that have been issued and conduct safety inspections at job sites to ensure permitted work is being performed in compliance with the applicable State and Town Codes. Members of the Enforcement Section are trained to identify and investigate a variety of construction and illegal housing violations. Through a comprehensive inspection and investigation process, Town inspectors not only identify and bring violations into compliance, they help to ensure the safety of residents. Upon the successful completion of the inspection process and final review of the file, applicants are issued various certificates and licenses documenting that the permitted work has been done in compliance with State and Town codes.

### **Planning and Environmental Protection**

The Planning Department is primarily responsible for land use regulation, historic landmarks preservation, environmental impact review and public transportation issues. In addition to performing technical reviews of all major commercial, multi-family and institutional development proposals, the Department participates in the implementation of transportation, environmental and other capital projects, as well as any real estate transactions involving Town-owned land. The Department oversees the operations of the Historic Landmarks Preservation Commission, the Ecological Commission, and represents the Town on the Manhasset Bay and Hempstead Harbor Protection Committees. The Department also oversees Environmental Facilities and the Business Tourism Development Corporation. A separate division within the Department reviews all applications to the Board of Zoning Appeals.

### **Highway**

The Highway Division is responsible for the maintenance and repair of more than 280 miles of Town roadways, including pavement and drainage maintenance, street sweeping, pothole repair, street sign installation and maintenance, tree removal and maintenance, snow removal, ice and flood control. The Highway Superintendent issues road opening permits for homeowners and/or contractors planning to perform work within the Town's right-of-way. The Town roadways are located in the unincorporated areas outside Villages.
