

**MANHASSET  
GARBAGE DISTRICT  
YARD WASTE AND  
RECYCLING SCHEDULE  
2016-2017**

The Town of North Hempstead Recycling Ordinance mandates the separate collection of glass, metal and plastic containers, newspapers, magazines, bulk mail, and yard waste. All recyclables must be at the curb line the night before the scheduled collection day. Recyclables will be collected every week.

**YARD WASTE COLLECTION  
SCHEDULE 2016-2017**

The Town of North Hempstead requires a separate collection of yard waste from April 1st through December 15th.

The following is the pickup schedule for yard waste:  
- If your regular garbage service days fall on Monday, Wednesday and Friday, your yard waste will be collected on Wednesday.  
- If your regular garbage service days fall on Tuesday, Thursday and Saturday, your yard waste will be collected on Wednesday.

**SPECIAL XMAS TREE COLLECTION**  
This year we will be collecting Xmas trees for compost on the first (2) Wednesdays of January. Please have your Xmas Tree out on the curb the Tuesday night before.

**RECYCLING SCHEDULE 2016-2017**  
NEWSPAPER, BULK/JUNK MAIL, MAGAZINES, CATALOGUES, PAPER-BACK BOOKS, CONSTRUCTION PAPER, INDEX CARDS, GREETING CARDS, PHONE BOOKS, ENVELOPES (without plastic windows) and WRAPPING PAPER (Non-Metallic): Tied and bundled or in brown paper bags, DO NOT wrap in plastic bags. BOTTLES & CANS: Glass, Plastic, Aluminum, Metal; we will also collect aluminum foil, pie tins and old pots & pans which are washed and cleaned and placed in town Recycling Container.

The following is the pick up schedule:  
- If your regular garbage service days fall on Monday, Wednesday and Friday, your recycling will be collected on Friday  
- If your regular garbage service days fall on Tuesday, Thursday and Saturday, your recycling will be collected on Thursday.

Blue recycling buckets are available to town residents for free. Green newspaper bins are also available for \$20.00 each. If you have any comments about services provided, or where to get a recycling bin, then please contact the Town of North Hempstead at 311.

**ROLL-OFF SERVICE**  
10, 20, 30 yard roll-off containers are available for a fee. They can be used for yards, attics, basements, garages, remodeling, and parties.

**RULES AND  
REGULATIONS FOR GARBAGE AND  
RUBBISH COLLECTION**

**I. General Regulations**

**1. Garbage** - Waste generated from the normal day to day operation of the household and kitchen. This includes all food waste, fish, meats and vegetables, paper packages, etc.

Garbage is collected three times a week. Collections will be made on Monday, Wednesday and Friday in one part of the district and Tuesday, Thursday and Saturday in the other part of the district. See map to determine your day.

Garbage shall be stored in closed leakproof metal or plastic cans at the rear side yard location outside the premises. No collections will be made inside the house or garage. During periods of snow, the resident is required to provide a clear path to the location. A maximum of three (3), thirty-two (32) gallon cans or the equivalent, weighing no more than fifty (50) pounds per can, will be collected each collection day.

**2. Rubbish** - Waste generated from the normal maintenance of the household other than kitchen waste, yard waste and recyclables. This may include scrap lumber, wall board, plaster, indoor tiles or materials from the cleanup of an attic, garage or closets.

Such materials are to be stored in closed containers when possible and are to be placed at the curb for collection. A maximum of two (2) thirty-two gallon (32) gallon cans or the equivalent, weighing no more than fifty (50) pounds per can, will be collected once per week: Wednesday, or Thursday, whichever is your normal collection day.

**Large items** - These wastes generally include appliances and furniture, such as chairs, tables, sofas, box springs and mattresses, refrigerators, dishwashers, washing machines, dryers, carpeting, etc.

The Town contract provides for the collection of one (1) large item per week. The resident desiring the removal of a large item must call Dejana Industries for scheduling.

Large items must be placed at the curb the night before the designated collection day. All doors to refrigerators, washing machines, dishwashers, etc. must be removed as a safety precaution. Carpeting should be cut into not more than four foot (4') lengths, rolled and securely tied for handling purposes and placed at the curb the night before the designated collection day.

**3. Recyclables** - Newspapers, magazine and bulk junk mail are to be securely tied or placed in a paper bag. Glass, metal and plastic containers are to be put in the town RECYCLING CONTAINERS.

All recyclables must be placed at the curb for collection in containers provided by the Town of North Hempstead.

**4. Yard Waste** - Yard waste is compostable material generated from the maintenance of the yard. Yard waste includes: grass, leaves, hedge clippings, and tree limbs. Hedge clippings and tree limbs should be securely tied in bundles not more than four feet (4') in length and not weighing more than 50 pounds. No tree limbs will be collected that are more than 3" in diameter. Yard waste will be collected from the first week in April until the second week in October.

In the month of April and from the last week of October to the second week of December, the maximum number of yard waste bags per collection is 12. At all other times the maximum number is 3 bags of yard waste.

Yard waste will be collected on a weekly basis. If your regular garbage service days fall on a Monday, Wednesday and Friday, your yard waste will be collected every Wednesday. If your regular garbage service days fall on a Tuesday, Thursday and Saturday, your yard waste will be collected every Wednesday. Yard waste must be placed at the curb line for collection the night before the designated collection day. ALL YARD WASTE MUST BE PLACED LOOSE IN UP TO A 32 GALLON CAN CLEARLY MARKED YARD WASTE OR IN PAPER LAWN AND LEAF BAGS SOLD BY BIG BOX STORES AND LOCAL HARDWARE STORES. NOTE: ALL WASTE GENERATED BY A LANDSCAPING SERVICE IS COMMERCIAL WASTE AND MUST BE HAULED AWAY BY THE LANDSCAPER.

**5. Commercial Properties** - Refuse collection (in cans) is available in quantities provided for by THE TOWN OF NORTH HEMPSTEAD in the contract for this district. Please call either Dejana or the Town at 311 (outside Nassau County dial (516) 869-6311) for details.

For more information: call Dejana Industries, Inc. at (516) 944-7445

**II. Time of Collection**  
All collections in the Town are to be made between the hours of 7 a.m. and 4 p.m. Monday through Saturday. No collections will be made on Sundays and most legal holidays except where noted on the collection calendar. Collection during snow events may be cancelled. Please contact the town by dialling 311, northhempstead.com or by calling Dejana Industries at (516) 944-7445

**III. Excluded Items**  
The following items are considered to be excluded from all collections:  
1. Hazardous waste, volatile materials, propane tanks, gas tanks, bricks, asphalt, concrete, granite, and all other stone and stoneware, lime, asbestos, automobile parts (vehicle tires, engines, transmissions, auto body parts, etc), pipes, paint cans with liquid, infectious and/or biological waste, logs or wood longer than 4' and larger than 3" in diameter, chain link fence, cables, scrap lumber or other debris resulting from contract work.  
2. Also excluded are large amounts of rubbish generated by any accumulated clean up or residential moving operation which will be considered the same as contractors' materials.

**3. New York State Law prohibits the placement of Electronic Waste at the curb for collection. For a list of what is defined as Electronic Waste under the law, call 311 or check the town website at www.northhempsteadny.gov**

**IV. Hazardous Materials**  
To dispose of toxic substances use S.T.O.P. Program (Stop Throwing Out Pollutants) provided by the Town of North Hempstead

- Air Conditioning Refrigerants
- Ammonia and Solid Bowl Cleaners
- Anti-Freeze
- Bug and Rodent Killers
- Bleach and Disinfectants
